

Job Title: Bilingual Construction Instructor

Location: Nebraska/South Dakota (ABC NESD Chapter)

Employment Type: Part-Time, Evening Classes (In-Person or Remote)

Job Description: ABC NESD is looking for an experienced and bilingual (English/Spanish) instructor to teach construction courses in the evening. This role is essential in training the next generation of skilled professionals in construction trades, particularly in core competencies and specialized areas like concrete finishing, electrical work, and more. Classes are held one night a week for approximately three hours, and the instructor has the flexibility to teach either in-person or remotely.

Key Responsibilities:

- Conduct evening classes on construction trade skills, in-person and remotely as needed, for approximately three hours, one night a week.
- Deliver instruction in English and Spanish, using provided curriculum materials for core skills and specialized courses, including concrete finishing and electrical work.
- Complete certification training provided by ABC NESD to effectively teach the NCCER (National Center for Construction Education and Research) curriculum.
- Engage students using practical knowledge and hands-on teaching methods to foster learning and retention.
- Evaluate student progress, provide constructive feedback, and support students' journey to mastering trade skills.

Qualifications:

- **Journeyman-level experience** in a construction trade is required (e.g., concrete finishing, electrical).
- **Bilingual Proficiency** in English and Spanish.
- Prior experience in teaching or training is preferred but not required.
- Availability for evening instruction, one night per week.
- Willingness to complete NCCER instructor certification with ABC NESD's support.
- Commitment to promoting safety, skill, and professionalism in all aspects of training.

Benefits:

- Opportunity to shape the skills of future industry professionals.
- Flexible teaching schedule with part-time hours.
- Supportive environment with ABC NESD's resources and curriculum materials.

How to Apply:

Please email your resume and cover letter outlining your relevant construction experience and interest in teaching to info@abcnesd.org.

About ABC NESD: Associated Builders and Contractors (ABC) Nebraska/South Dakota is committed to excellence in workforce development, offering a range of training programs designed to enhance the construction industry. We seek a dedicated, bilingual construction instructor with journeyman-level experience to join our instructional team.
